

# Emircan Durmus

Computer Engineer | Data Science Master Student

## Personal Data

First Name/ Last Name	Emircan Durmus
Website	<a href="http://www.emircandurmus.com">www.emircandurmus.com</a>
GitHub	<a href="https://www.github.com/durmusemircan">www.github.com/durmusemircan</a>
LinkedIn	<a href="https://www.linkedin.com/in/emircan-durmus">www.linkedin.com/in/emircan-durmus</a>
Phone	+49 178 6744131
E-Mail	<a href="mailto:emircandurmud@gmail.com">emircandurmud@gmail.com</a>
Birth Date	26.03.2001

## School Education

Period	September 2024 - Current
Institution	Hochschule Bielefeld
Major	Research Master Data Science
Degree	Master of Science

Period	October 2019 – September 2024
Institution	Kadir Has University
Major	Computer Engineering (3.12 GPA)
Degree	Bachelor of Science

Period	Year abroad from September 2022 – January 2023
Institution	Universidad de Castilla la Mancha
Major	Computer Engineering
Degree	Bachelor of Science

## Work Experience

Period	June 2024 – July 2024
Position	Information Technology Intern
Areas of Responsibility	IT support at the University's Information Technologies Department
Employer	Kadir Has University

Period	July 2023
Position	Computer Engineer Intern
Areas of Responsibility	Database with PLSQL in Application Performance and Deployment Department
Employer	Ziraat Teknoloji AS

## Projects

<b>Project Name</b>	<b>Computer Engineering Graduation Project</b>
<b>Explanation</b>	An application that uses Deep Learning to analyze the emotion of the text written by the user or the emotion of facial expressions from live camera footage.
<b>Related Programs</b>	Python, PyQt5
<b>Project Name</b>	<b>Rime-AI Chatbot Website</b>
